

Jahnsen

Fullstack Developer

085111322226 | jhansen.wilson@gmail.com | <https://www.linkedin.com/in/jahnsen> | Jakarta, West Jakarta

Summary

Full Stack Developer with 2+ years of experience building scalable web applications and enterprise solutions. Experienced in developing end-to-end systems using React, Next.js, Express.js, TypeScript, and PostgreSQL, with hands-on experience integrating AI-powered features using LLM APIs and Retrieval-Augmented Generation (RAG). Currently contributing to digital initiatives at PT Asia Sistem Indonesia, delivering reliable and high-impact products.

Experience

Frontend Developer

Feb 2024 – Feb 2025

Intern at PT Abhimata Persada

- Developed Treasury Lite front-end using React.js, integrating dynamic data from MSSQL and building responsive UI components from Figma designs.
- Created wireframes & high-fidelity prototypes in Figma, delivering pixel-perfect, cross-device interfaces.
- Integrated RESTful APIs with backend services to support dynamic UI updates and real-time data interaction for seamless data flow and interactive features.
- Optimized UI responsiveness, fixed bugs, and improved UX in line with corporate design guidelines.
- Enhanced code quality through refactoring, UI improvements, and collaboration with QA based on testing feedback.

Fullstack Developer

May 2025 – Present

PT Asia Sistem Indonesia

- Developed AI-powered applications by integrating Large Language Model (LLM) APIs and implementing Retrieval-Augmented Generation (RAG) architectures.
- Built semantic search systems using PostgreSQL and pgvector, enabling context-aware responses through vector similarity search.
- Implemented document processing pipelines with automated text extraction, chunking, embedding generation, and conversational AI capabilities.
- Developed scalable full-stack applications using React, Next.js, Express.js, TypeScript, and PostgreSQL.
- Deployed and maintained production environments with Docker, Redis, CI/CD pipelines, and monitoring tools such as Elasticsearch and Kibana.
